Pre-Class Assignment

More AWS: Cognito

Here is a list of materials you will need to read in preparation for the next lab period. Read everything carefully to make sure you understand the concepts presented here. There will be a reading quiz at the beginning of class.

What is AWS Cognito?

https://docs.aws.amazon.com/cognito/latest/developerguide/what-is-amazon-cognito.html

Getting Started with AWS Cognito

Under Frequently Asked Questions read the **General** and **Add User Signup & Sign-in to your mobile and web apps** sections
https://aws.amazon.com/cognito/getting-started/

Read an AWS Cognito Tutorial

Read over this article to try and understand how Cognito works a little better. Pay close attention to the tutorial as you will be doing something similar in the lab. Read up until the **Setting Up Your IOS Application For Your User Pool** section.
