Pre-Class Reading

More Mocking with Mockito

Here is a list of materials you will need to read in preparation for the next lab period. Read everything carefully to make sure you understand the concepts presented here. There will be a quiz on this material at the beginning of class.

Spies

An introduction to Spies, a way of integrating mock benefits with actual code
You can skip section 3
https://www.baeldung.com/mockito-spy

Consecutive Calls

Consecutive Calls to test functions with varied returns given the same data
