Learning Vue

This unit we will be learning Vue, a JavaScript framework for front-end web development.

The activities will walk you through learning Vue using tutorials. Here are some additional resources:

- **Official Vue guide**   **(https://vuejs.org/v2/guide/)**
- **Learn Vue 2: Step By Step**   **(https://laracasts.com/series/learn-vue-2-step-by-step)**
- **Vue JS 2 - The Complete Guide**   **(https://www.udemy.com/course/vuejs-2-the-complete-guide/)**
